# Wedding Photography

## Portrait Session

**\$850.00 session fee**

- includes set of high-resolution digital photographs, cropped, and edited at the photographer's discretion.
- You may select 10 images for additional, advanced retouching or editing.

This package includes a 1 to 2.5 hour portrait session at a location of your choice within the greater Edmonton area. Photographs may be taken at multiple locations if time allows on your wedding day. Additional travel fees may apply if the location(s) require extended travel. Pre wedding planning and consultations are included to ensure that your photographs will have the best lighting and backgrounds possible. Your photographer will be able to recommend appropriate locations.

Poses photographed may include multiple photos of the Bride and Groom individually and together, full length and close up. Poses of the wedding party and family members. The variety of poses and backgrounds will be determined by the amount of time allowed for photography and the constraints of the location that photos will be taken.
